This internship program offers a unique opportunity to gain practical experience in the financial industry, develop professional skills, and work alongside industry experts.

Duties:

- Support the pension management team in analysing bond markets, money markets and other debt instruments.
- Assist in the execution of trades and management of fixed income and money market portfolios.
- Prepare market reports and assist in monitoring economic indicators affecting fixed income markets.

Qualifications:

- **Education:** Bachelor's degree in Finance, Economics, Business Administration, Data Science, or a related field.
- **Preferred Qualifications:** Actively pursuing CFA, CISI, ICIFA, or equivalent certifications are a plus.
- **Skills:**
 - Strong analytical and problem-solving skills.
 - Excellent communication and interpersonal skills.
 - Proficiency in Microsoft Office Suite (Excel, PowerPoint, Word).
 - Ability to work independently and as part of a team.

- **Practical Knowledge:**
 - Exhibit up-to-date knowledge of bond valuation and yield analysis.
- **Attributes:**
 - Eager to learn and passionate about the financial industry.
 - Detail-oriented with strong organizational skills.
 - Ability to handle multiple tasks and work in a fast-paced environment.

What We Offer:

- Hands-on experience in a dynamic and professional work environment.
- Mentorship and guidance from experienced professionals in the financial industry.
- Exposure to real-world projects and the opportunity to contribute to meaningful work.
- A stipend to cover expenses during the internship period.

How to Apply:

Interested candidates are encouraged to apply by submitting a detailed resume and a cover letter explaining their interest in the role and how they meet the specified criteria. Applications should be sent to careers@investcent.co with the subject "Intern - Pension & Money Market" by 7th February 2024.
