ABOUT US

African Alliance Asset Management has provided investment services across Africa since 1996, pioneering unitised funds in several markets. With operations in five African countries and a growing global reach, we aim to deliver African market exposure with international standards of excellence.

THE OPPORTUNITY

We are seeking a highly skilled Investment Analyst to join our Asset Management team in Kenya. This role involves leading investment research, informing portfolio strategy, and optimising performance across asset classes.

KEY RESPONSIBILITIES

- Conduct research and analysis on equities, fixed income, alternatives, and private investments
- Build and maintain financial models and risk frameworks
- Advise portfolio managers on asset allocation strategies
- Monitor economic indicators and market trends
- Prepare investment reports and strategic presentations
- Mentor junior analysts and collaborate with internal teams

QUALIFICATIONS & EXPERIENCE

- Bachelor's or Master's degree in Finance, Economics, or related field
- CFA, CIFA, CPA, or CAIA certification (preferred)
- Minimum 3 years' experience in investment analysis or asset management
- Expertise in financial modelling, valuation, and analytics
- Proficiency with Bloomberg, FactSet or similar tools
- Strong leadership, communication, and strategic thinking skills

WHY JOIN US?

- ✓ Influence strategy at a leading Pan-African asset management firm
- ✓ Exposure to diverse investment classes and innovative portfolio techniques
- ✓ Career growth and leadership development opportunities
- ✓ Competitive compensation and performance-based incentives
